Alternatives to barista milk

Coffee with plant-based alternatives to milk

**PLANT
BASED**
COMPETENCE
CENTER

Our stabilising systems for plant-based alternatives to dairy milk provide balanced sensory qualities, familiar consistency and good processing characteristics. Our product solutions are based on various plant sources like oat, buckwheat, chickpea or sunflower – not just soy.

Alternatives to milk

Stabilising System	Properties	Dosage
fiildDairy NEB 191001 <i>Art. no. 10032573</i>	Integrated compound based on oats, also suitable for the production of oat drinks containing cocoa	2.2 – 2.4 %
